WELCOME!

Welcome to the 2017 Mayfield Beer Festival. After the popularity and success of last year's event we're delighted to bring you another fine selection of beers and ciders to enjoy.

Of course the main reason for the festival is to raise money for the refurbishment of the hall itself but we've also got food and entertainment throughout the weekend to make it an even more enjoyable event.

Have fun and raise a glass, or two, in support of the hall!

Special thanks and a big round of applause!

This festival simply could not happen without the support and commitment of a large group of people so we would like to take this opportunity to offer our thanks to:-

Our Sponsors. Without our sponsors there would be no festival. Their generous financial support ensures the festival can go ahead and helps the Hall remain a key part of our village community.

Our Friends. Our friends, both companies and individuals, who have generously donated beers and ciders to the festival in order to support both the Festival and the Hall.

Our Volunteers. All the staff, helpers and organisers of the festival are giving their time, expertise and services for free and without them we simply could not run the event. Also it means every penny raised will be used to both maintain our Hall and to update and improve the building and its facilities.

We are a friendly and caring veterinary service. We offer a 24 hour, out of hours emergency service using our own vets. Rest assured, we're here to help whenever you need us.

Refurbishing the hall; the next phase

This weekend's festival will make it possible for us to complete the next phase of improvements that the hall needs. We will begin a programme of window replacements over an extended period, using volunteer labour wherever possible to minimise cost. This will make a significant contribution towards reducing our annual heating bill, our largest running cost, and also make the hall more secure.

It's a big and expensive project and profits from the festival will go towards the costs of replacing the windows. We have volunteer labour lined up to install the windows so now we just need money to purchase them, all 28 of them! After that it's refurbishing the kitchen, so keep trying the beer, it's all for a good cause!

Forthcoming Events. Keep an eye out for more announcements including;

- * Food and Farm event (early September) with a local food fair, barn dance, cider Sunday and vintage tractor display
- * Pop-up restaurant (late September) with London chef and special Taste of Mayfield menu
